Helping Everyone Achieve

nasen ACADEMY

Your hub for SEND CPD

What is nasen Academy?

nasen Academy is a dedicated Learning Management System (LMS), offering a wide range of high-quality, online CPD courses focused on SEND. It's designed to support practitioners and professionals at every level with flexible, on-demand learning.

Learner feedback:

"The course was very well organised, engaging, and full of meaningful reflection starting points. The practical examples shown in the videos were especially helpful."

What are the benefits?

nasen Academy puts you in control of your professional growth with flexible, practical, and role-specific CPD that fits your schedule. Engage with interactive, research-backed content, track your progress, and manage all your learning in one easy-to-use platform.

Explore nasen Academy
